Laptop Lending Machine

In case you missed the big surprise unveiling yesterday, here's a look at something new the library has to offer: a Laptop Lending Machine!

Dr. Dottavio and SGA President Jay Johnson were the first two people to swipe their Texan Cards and try out the new laptop loan vending machine.

The process is simple, and you no longer have to wait in line at the Circulation Desk to check out a laptop.

All you need is your Texan Card and your NTNET password to check out a fully charged laptop for four hours. You will also receive a receipt in your Tarleton email inbox to show when the transaction was completed after you return the laptop.

Come by the library and try it out for yourself!

Need assistance?

Stop by the Reference Desk located nearby or call (254)968-9249.
